

**TO ALL MEMBERS OF THE ASSOCIATION**

Dear Member,

**Sub: Workshop on Food Safety Act and its Impact on Flavour Industries**

The Food Safety Regulations are in the public domain. We need to understand the new requirements to continue the business in accordance with the F.S.A.

All those who are importing mixtures of odoriferous substances for final food / beverage industry and those whose imports are subjected to PHO certifications, need to register under the new Act & **all those who are currently doing flavour business under PFA are required to register and obtain license under the FSA.**

To understand the new requirements, regulations, procedures, mandatory obligations and stakes, we need to discuss the new Act very thoroughly.

FAFAI has therefore arranged a one day workshop on **21<sup>st</sup> August 2010** in Mumbai from 10 am onwards at Iskcon, Juhu, Mumbai-400 049 which please attend and deliberate, Discounted rooms are available at Iskcon only for FAFAl Members.
