President's Message

Dear Friends,

It is my privilege to invite you to the confluence of heritage and art, the historic city of Kannauj, the land of the exotic technique of making attars.

If you have been intrigued with this craft, and want to immerse yourself in a fragrant journey of discovery, do join us for a day long tour of attar making facilities, imbibing the history, art, techniques and the science behind this very special craft.

The next day we spend a day of learning, sharing, interaction and inspiration in a perfumery workshop in Kanpur.

We are grateful to Shri Yogesh Dubey and Shri Shakti Vinay Shukla and the team of the Fragrance and Flavour Development Centre, [FFDC] Kannauj for their contribution and support which made this event possible.

Registrations for both these events are separate and I invite you to be a part of both these unique learning experiences.

Looking forward to seeing you.
